TRAVEL TO WACO

Waco is located in between Austin and Dallas. Austin is serviced by American, Delta, Southwest, United and most major airlines. Dallas is serviced by two airports. Dallas Love Field Airport is the closest major airport; however, it is only serviced by Delta Airlines, Southwest Airlines, and Virgin America Airlines. Dallas-Fort Worth (DFW) International Airport is serviced by all major airlines, but it is located 110 miles from campus.

American Airlines operates a connection flight from DFW International directly to Waco Regional Airport (ACT) which is a 20-minute drive to campus. Avis, Enterprise and Hertz all offer car rental from the airport.
